To our interested applicants:

Ask to speak to our Membership Director or another member of the Board of Directors who will explain the procedures to you. In the absence of the Directors, our office manager will help you.

How to obtain membership:

1. To purchase the exclusive right to the use of a space in our Desert Resort, you must first apply for and be granted a membership.
2. Read the Bylaws and Park Ground Rules and Regulations to be sure that you understand how our Desert Resort operates. An electronic copy will be sent to you upon request.
3. A list of spaces for sale is available on our website at:  
<https://laketamarisk.com/spaces-for-sale/>
4. When you have chosen a space, contact the owner whose information is on the website. Lake Tamarisk Desert Resort does not involve itself in the actual sale of the space.
5. When you have made an offer and it has been accepted, you must then submit the completed Membership Application along with copies of proof of age and a fee of \$1,500 to the Lake Tamarisk Desert Resort office.
6. An interview with no less than two members of the Board of Directors or their designee(s) will be scheduled.
7. Board approval of the Membership Application is required BEFORE proceeding with the purchase or payment of money to the seller. No membership approvals shall be granted between the months of May and October.
8. Upon approval, the Board of Directors will notify the office so they may contact the seller and make arrangements to collect any balances owing against that space. This is for your protection.
9. You may not take possession of the space until such time as the previous owner has paid any outstanding balances, submitted the seller's statement (on the back of the Certificate of Membership) with the one hundred dollar (\$150) transfer fee, and confirmed the transfer of ownership date.
10. This is a membership driven park. You are purchasing the exclusive right to the use of the space of your choice. There are monthly maintenance fees to employ year-round personnel to care for and protect our property and maintain our Desert Resort.

As a future member(s), we would like to have you submit the following information, as from time-to-time self-help projects in our park require consultation with a person experienced in a particular skill area, such as building and street repairs, etc. Since this is a membership corporation, we try to utilize the special knowledge of the members before unnecessarily hiring someone to do a job. This allows us to keep the costs down. Since our membership is made up of people with a myriad of skills, it would be helpful for the Board of Directors to have this information available, so we can call on you for advice or help in future projects.
